

REMARKS/ARGUMENTS

By this Amendment, Applicant AMENDS Claim 25 to correct two minor informalities contained therein.

The dependency of Claim 25 has been changed from Claim 14 to Claim 18 because Claim 14 does not provide proper antecedent basis for "the wave scattering structure" recited in Claim 25, and Claim 18 does provide proper antecedent basis for "the wave scattering structure."

Applicant respectfully requests entry of the above Amendment in accordance with 37 C.F.R. § 1.312. It is respectfully submitted that entry of the Amendment under 37 C.F.R. § 1.312 is appropriate since (a) the Amendment merely corrects a minor error and does not change the scope of any allowed claim, and (b) no substantial amount of additional work is required on the part of the Patent Office (MPEP § 714.16).

In view of the above, it is respectfully requested that the foregoing Amendment be entered in the present application. If any fee is required for consideration of this paper, please charge it to deposit account no. 50-1353

Respectfully submitted,

Dated: August 29, 2008
